§ 139.105 Inspection authority.

Each applicant for an airport operating certificate or a limited airport

operating certificate must allow the Administrator to make any inspections, including unannounced inspections, or tests to determine compliance with—

- (a) The Federal Aviation Act of 1958, as amended; and
- (b) The requirements of this part.

§ 139.107 Issuance of certificate.

(a) An applicant for an airport operating certificate is entitled to a certificate if—

- (1) The provisions of § 139.103 of this subpart are met;
- (2) The Administrator, after investigation, finds that the applicant is properly and adequately equipped and able to provide a safe airport operating environment in accordance with—
 - (i) Subpart D of this part, and
 - (ii) Any limitations which the Administrator finds necessary in the public interest; and
- (3) The Administrator approves the airport certification manual.

(b) An applicant for a limited airport operating certificate is entitled to a certificate if—

- (1) The provisions of § 139.103 of this subpart are met;
- (2) The Administrator, after investigation, finds that the applicant is properly and adequately equipped and able to provide a safe airport operating environment in accordance with—
 - (i) The provisions of subpart D listed in § 139.213(a) of this part, and
 - (ii) Any other provisions of this part and any limitations which the Administrator finds necessary in the public interest; and
- (3) The Administrator approves the airport certification specifications.

§ 139.109 Duration of certificate.

An airport operating certificate or a limited airport operating certificate issued under this part is effective until it is surrendered by the certificate holder or is suspended or revoked by the Administrator.

§ 139.111 Exemptions.

(a) An applicant or a certificate holder may petition the Administrator under § 11.25, Petitions for Rule Making or Exemptions, of this chapter for an
